

The image shows two symmetrical architectural floor plans for the first floor (Niveau Logistique 1) of two adjacent industrial units, CELLULE A1 and CELLULE B1. Each unit is 24.60 m wide and 11.65 m deep. The plans are divided into several functional zones:

- Central Hall (Palier):** Located in the center of each unit, featuring stairs (Esc. 15) and two sets of stairs (Esc. 15) leading to the roof (Rdc-toiture).
- Open Space (Bureaux open space):** Large open areas on the right side of each unit, measuring 10.70 m by 10.70 m.
- Storage and Logistics (SAS, Local):** Includes a large storage area (SAS) measuring 10.70 m by 10.70 m, and several smaller local storage areas (Local) measuring 10.70 m by 10.70 m.
- Sanitary and Restrooms (Sanitaires):** Located near the central hall, including a toilet (Toilette) and a shower (Douche).
- Access and Entrances:** Features an access point (Accès cellule) and a main entrance (Entrée) on the left side of each unit.
- Roof and Terrace:** A terrace (Terrasse en caillabots) is located on the roof of the central hall area.

The plans are labeled "Vide sur CELLULE A1 - Niveau Logistique 1" and "Vide sur CELLULE B1 - Niveau Logistique 1".
